

# INTERNSHIPS

---

Almost all of the majors offered at Southwest Minnesota State offer internship opportunities to students. Internship coordinators within programs assist students in finding opportunities to obtain with work experience for credit. A wide variety of businesses and organizations, as well as locations, are part of this program. The work experience usually relates to the student's curricular goals. The student needs to have sufficient course work as background for the internship, so as to fulfill the needs of the internship. For more information, students should contact their department office and the Career Services Office (BA 156).
