

DEAN'S LIST

Dean's List's recognition will occur during fall and spring semester. An undergraduate student who completes 12 or more A- F graded credits and achieves a grade-point-average of 3.5 or higher will be considered for the Dean's List. If a 4.0 grade-point-average is achieved the student will be on the High Honors Dean's List. If a 4.0 grade-point-average is achieved the student will be on the High Honors Dean's List.

All grades must be reported, with the exception of Internships/ Practicums, to be considered for the Dean's List. The Dean's List will be determined only on the 15th working day after the semester's last final exam day. Each semester the University publicly recognizes superior academic performance through notations on the students' transcript, a press release and notices posted in the appropriate academic Department and the Dean's Office.
