

TOBACCO FREE ENVIRONMENT

Southwest Minnesota State University (SMSU) in accordance with our mission is devoted to improving the health and well-being of our campus community by setting an example of healthy practice. In order to conform to the Minnesota Statute 16B.24, Subdivision 8 [Smoking in State Buildings], Ch. 291, Art. 6, Sec. 6, Subd. 5 [Electronic Cigarettes] and to demonstrate the core value of health and wellness at SMSU, we will provide a safe and healthy environment for work and study for students, employees and visitors by making SMSU a fully tobacco-free campus.
