

DIVERSITY AND INCLUSION

Diversity & Inclusion (<https://www.smsu.edu/administration/diversityinclusion/>)
CE, (507) 537-6169

The Office of Diversity & Inclusion works with the entire campus to promote multiculturalism. The Office has a targeted responsibility in serving students of color. We work to provide the academic and social support to help students with issues relating to the University experience including the adjustment, ongoing student development, career choice and after college preparation. The Office works to improve the environment of the SMSU learning community within the town of Marshall and the surrounding region.
