SMSU's programs of new student orientation are administered through the Deeann Griebel Student Success Center (<https://www.smsu.edu/campuslife/ssac/>) and Office of Admission (<https://www.smsu.edu/admission/>). The largest of these is a four day orientation to SMSU prior to the beginning of fall semester. However, new student orientation continues throughout your first year of college study and you are encouraged to seek assistance through the Deeann Griebel Student Success Center (<https://www.smsu.edu/campuslife/ssac/>) or Admission Office (<https://www.smsu.edu/admission/>) if you have questions or concerns.
